

## REMARKS

Entry of the above amendment is requested. The sequence listing in the parent patent application issued December 30, 2003 under U.S. Patent No. 6,670,177 is the identical sequence listing for the above-referenced patent application Serial No. 10/705,561. In accordance with 37 CFR 1.821(e), please enter the sequence listing from the parent patent in the above application, in lieu of a new CRF. The content of the sequence listing information recorded in computer readable form is identical to the written sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e)(f)(g) and 1.825(b) or (d).

Respectfully submitted:

By:
